COMPANY F.—The Alexandria company now with the Third regiment in Richmond waiting to be mustered out has received more compliments than any other company connected with that regiment. Through the good management and activity of its captain, R. H. Atkinson, it was the first to get its report before the mustering-out officer, Major Price, who complimented them, through Artiller A. D. Deaton, as being the only company that had followed army regulations in presenting its report and material used during active service and storing it. The boys have departed themselves as men and soldiers and have received the commendation not only of the regimental officers, but of a generous public. During the parade incident to the flag presentation it was the first company to notice the mistake made by those preceding it in the procession and salute Col. Nalle as they passed in review. The colonel congratulated Capt. Atkinson. This city will have cause to be proud when the boys come back and pursue their different vocations.

COUNTY NOTES.—The Supervisors are meeting to get the new court house at Myer Heights finished in time to hold the November term of the Circuit Court in the new building, but there is some doubt as to whether the carpenters can finish their work in time. It is proposed to give a banquet in the building on November 10th if it is finished in time.

The following sales of real estate have recently been made in the county: Rosina Mackey to Fritz Waller for \$225 a lot near Rosslyn; Blanche A. Brown to T. H. Bean a lot in Rosslyn Farm; E. T. Morris to T. H. Bean a lot in Rosslyn Farm; The W. A. & F. C. Ry. has also purchased after condemnation proceedings the right of way through the properties of the heirs of Columbus Alexander and Fannie B. Hunter.

FUNERAL.—The funeral of Mr. J. H. Raines, whose sudden death occurred on Tuesday morning, took place this evening at 8:30 from the residence of his brother-in-law, Mr. J. B. Watkins, on Alfred street. The pallbearers were Messrs. E. B. Kemp, Ashby Bladen, George McArthur, H. K. Field, W. W. Sherwood and Charles Kersey. Besides a large number of relatives and friends in this city, among those who attended the funeral from a distance were Messrs. James Raines, an uncle, from South Carolina; T. A. Fox, a brother-in-law, from Danville, and relatives from Washington. Rev. J. T. Williams, pastor of the M. E. Church South, of which the deceased was an active member, conducted the funeral ceremonies.

SOME EXCITEMENT was caused at the corner of King and Columbus streets yesterday by the antics of a demented woman, who said she was Mrs. Kelly, of Washington. A residence at the corner named had been rented to a lady who was engaged in moving into the house when Mrs. Kelly appeared on the scene and declared that the house was hers, as was also other property in this city and vicinity, but which had been unlawfully taken from her. Officer Sherwood was summoned and took the unfortunate woman to the station house, where she was finally prevailed upon to return to her home in Washington. She, however, took the key of the house with her.

PERSONAL.—Rev. J. C. Stewart, of Richmond, is visiting relatives in this city—his old home. Messrs. George Young and DeW. Aitchison have returned from Cleveland, Ohio, where they went after attending the Knights Templar convocation in Pittsburgh. They say that Mr. C. A. Strangmann, formerly of this city, is now one of the most prosperous brewers in Cleveland.

Mrs. Louis Wagner, of Germantown, Pa., who has been visiting Miss Mary J. Shinn on South 1st street for several days past, returned to her home to-day.

Captain Willard, who recently resigned the command of Company I, Third regiment, is still in Richmond, and it is understood that he will remain until the regiment is mustered out, which will probably be toward the end of next week. He is one of the most popular officers in the regiment.

OPERA HOUSE TO-NIGHT.—The musical portion of the community will find a rare treat in store for them at the Opera House to-night. The programme of the musical to be given under the auspices of the First Baptist Church Sunday school has been carefully arranged and some of the finest talent in this city, Washington and elsewhere will take part. The sale of seats has been large and there is every indication that a full house will greet them.

DEATH OF MR. GRAHAM.—Mr. John W. Graham, one of the best known and most esteemed citizens of Fairfax county, died at his residence at the Court House last Saturday morning. His funeral took place on Sunday afternoon. The deceased was Commissioner of the Revenue for Fairfax county for about ten years. He was also at one time Clerk of the Court. In both public and private life he was justly esteemed, and his decease is regretted by his many friends in both his native county and this city, where he was equally well known.

ADVENT OF A STRANGER.—The census of Del Ray was augmented this morning by the arrival of another voter in the shape of a bouncing baby boy, which it is said can tip the scales at twelve pound avoirdupois. The happy father and mother are Mr. and Mrs. Wm. H. Hogan, who have passed sixteen years of combal bliss without having their quiet disturbed by such a contingency. Both mother and babe are doing well, and the many friends of the family rejoice with them at the accession to their household.

TAKEN TO FREDERICKSBURG.—Officer J. H. Robinson, of Fredericksburg, arrived here this morning and took Edward Holland back to that city to answer a charge of larceny. Holland, it will be remembered, was arrested yesterday morning by Officer Young. He was charged with stealing clothing belonging to Mr. Frank Phillips, of this city, but who is now employed in Fredericksburg. Mr. Phillips was here with the officer and fully identified the alleged thief.

NO CURE—NO PAY.—That is the way all druggists sell GROVES' TASTELESS CHILL TONIC for Chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults prefer it to bitter nauseating Tonics. Price 50c. Sold by Richard Gibson, corner Alfred and King streets.

CANDIDATES FOR CONGRESS.—The "anti-machine" wing of the republican party of this city yesterday sent by special delivery to the Secretary of the Commonwealth in Richmond the nomination of Mr. Edward Hughes, of this city, as a candidate for Congress from this district. Those engaged in the movement, have no idea of course of electing Mr. Hughes, but say that they are averse to allowing the democrats to have a walk-over or to let the election of a Congressman go by default. Mr. Hughes has for some years been a prominent figure in republican circles hereabouts, and he was some months ago a formidable candidate for Collector of the Port of Alexandria.

Mr. John Underwood, of the First ward, as stated yesterday, has also forwarded his name to the Secretary of the Commonwealth as candidate for Congress from the 8th district.

MANDAMUS.—Corporation Attorney Boothe has served notice on the representatives of the Washington, Alexandria and Mt. Vernon Ry., in this city, that on Saturday, the 29th inst., he will apply to Judge Nicol of the Circuit Court for a mandamus to compel the railway company to put down a grooved rail and pave a portion of King street, in accordance with an ordinance passed by the City Council. It is understood that the city authorities have been unable to come to any understanding with the railway company concerning the latter's portion of the proposed King street improvement and will seek the aid of the courts to compel the company to comply with the ordinance on the subject.

FOR THE PENITENTIARY.—Mr. H. W. Judd, a guard from the Richmond penitentiary, arrived here to-day to take back to that institution Jerry F. Brown, colored, who was recently convicted in the County Court of housebreaking in the day time and sentenced to serve two years in the penitentiary.

The guard will also take back with him Frank Larnard, who was yesterday in the Corporation Court of this city convicted of stealing a horse and buggy from Mr. J. T. Patterson and sentenced to serve three years in the penitentiary.

TO-MORROW, FRIDAY.

REM NANT DAY

Our Special Bargain Day.

Nobody is coaxed to buy and no arbitrary rules govern your choosing when you do buy. We put any length piece of goods desired, we divide certain lots of goods for accommodation, which we intended to sell as a whole. Then in a line of Wraps, Underwear, Hosiery, Gloves, Shoes, etc., the medium sized first lot, leaving us the very small and the very large sizes. Then, again, articles become soiled, marred and otherwise defaced from handling and displaying—and so on. From these various sources remnants accumulate very rapidly and we cannot push them aside or pile them up.

Our policy demands their absolute and immediate clearance in order to keep the stock fresh, bright and up to date in every particular. Hence Friday of each week is devoted to the selling of remnants—fruits, remains, etc., and they are the genuine, legitimate sorts, not remnants made for the occasion. There's a goodly collection to pick from to-morrow, and for quick distribution we've made the prices in many cases half and less.
